

I.

suppose disposal

Middle English, from Anglo French *desposer*,
from Latin *disponere* to arrange

weakly response recycle women
is the bathroom this way

carpet trim recycling lock
think before you throw think

to put in place
set in readiness
arrange

a basket of print
may include

to transfer to the control of another
to deal with the matter conclusively

weight gain or certain cancers
increase or decrease in acne
vomiting depression

take them out of their original containers
mix them with an undesirable substance mix

headaches
vaginal infections
high blood pressure

such as kitty litter

blood clots in legs lungs heart or brain
stroke loss of libido
liver tumors (rare)

make them less appealing

dizziness heart attacks
gallstones

people may intentionally
go through your trash

cup with this is this a sponge

Voluntary doubt about the faith disregards
or refuses to hold as true

cal, I saw you hanging crooked and I knew
you understood recycling

anxiety aroused by its obscurity

only with approval from sun
a little pester composted
reserved towing enforced
signs side left skin illegible

cancer cancer cancer

if deliberately cultivated,
doubt can lead to spiritual
loss of libido blood clot

caw caw caw
i'm trying to caw ca
every mother is a working caw compost

flat irons and waves permanent

excuse me are you doing the parking
Is your cabinet filled with expired drugs
or medication you no longer use

I don't have the caw

animal mother bike fleet

beached on a bench in the
sunday there's a bee over here composting
but then again the question is
you know what I mean and also bless you
difficulty and avert your eyes
and why is my left heel
read your book stop looking at me
limping limping throw away

can I spit in those plants
her prettiness marks her
let me ask you
no Buddhist stepped forward to take her place

and when he had opened the fourth seal
I heard the voice of the fourth beast say
come and see and I looked and
behold a pale horse

And power was given unto them over the
fourth part of the earth, to kill with sword,
and with hunger, and with death, and with

the beasts of the earth

definitely a good mourning experience

the signs of female aging as diseased
and who shall be able to stand

II. When any of us here speak by the power of the Spirit we say better what he would say if he were here in person.

1. Lines and Wrinkles

lines trace her thought in a precise calligraphy a lifetime of kissing even as a fig tree casteth her untimely figs when she is shaken of a mighty wind.

2. Uneven Skin Texture

and the kings of the earth and the great men and the rich men and the chief captains and the mighty men and every bondman and every free man hid themselves in the dens and in the rocks of the mountain

3. Uneven Skin Tone

throughout the ages there have been so-called private revelations some of which have been recognized by the authority of the Church they do not belong however to the deposit of faith

4. Appearance of Pores

Decreta Dogmatica Councilii Tridentini: Sess VI
Bellarmine, De Justificatione
Judicium de Libro Concordantia Lutheranorum
Liguori, The History of Heresies

5. Blotches and Age Spots

and the sun became black as sackcloth of hair

6. Dry Skin

at best this is a false prophecy at worst it is an out and out lie Gospel Jesus does not lie because he is the Truth neither is he mistaken

7. Dullness

I have sought and do now seek that my words will be true and wise and proper

III.

and when he had opened the third seal I heard the third beast say come and see and I behold and lo to a black horse and he that sat on him had a pair of balances in his hand

below hollow is a root

straight lines in dirt

between spaces

fingered and sticking

and I heard a voice in the midst of the four
beasts say

dark bass through trees

pillow pulsing

an invading drone of structure

a measure of wheat for a penny
and three measures of barley for a penny
and see thou hurt not the oil and the wine

flat board thin mattress racked

skeleton and moths beating

the word Lepidoptera
from the Latin word for scaly wing
Lepidos meaning scale *pteron* meaning wing
shingles on roof

themselves against a tin roof

baking illumination

looming womb demystified

tide submission to mission permission

to leave to grieve to feel something

to be wrong

darkness like light fighting light

tight brightness group

vision sounds sour

ours not mine no mining

dancing on fancy

clothes and holy trinkets

semi-arid areas where breeding seasons are short

a proboscis is used to drink nectar

Perhaps its origins are related to Old English
"*maða*" meaning maggot or from the root of midge

which until the 16th century was used
mostly to indicate the larva

usually in reference to devouring clothes

to identify you will need to look at all the colors
